

Choose the Right Battery for the Right Job

with the Energizer® Quick Reference Guide

Keep Going™

HARRIS BATTERY

TRUST. VALUE. CHOICE.

Harris Battery, one of the nation's largest independent battery distributors, is proud to offer an extensive selection of Energizer® batteries for a broad range of applications.

World's Longest Lasting AA and AAA Battery In High-Tech Devices

Energizer's exclusive AA and AAA lithium batteries provide unmatched performance for your high-tech devices, lasting significantly longer than standard alkaline batteries.

Recommended Usage: Digital Cameras, MP3 Players, Portable CD Players, Film Cameras, Photo Flashes, Portable LCD Screen Devices, GPS Units
 Sizes: AAA, AA

Designed For Long-Lasting Performance In The Broadest Range of Device Applications

Energizer® offers a full portfolio of batteries for a broad range of industrial applications, including office products, construction, electrical and industrial equipment, MRO, medical, hospitality and safety.

Recommended Usage: Virtually any OEM customer application
 Sizes: AAA, AA, 9V, C, D, Lantern

Economical Solution For Power-Hungry Devices

Recharge and reuse Energizer® Rechargeable batteries hundreds of times for cost-effective, long-lasting power for your high-tech, high-use devices.

Recommended Usage: Wireless Staplers, Digital Cameras, MP3 Players, Portable CD Players, Film Cameras
 Sizes: AAA, AA, C, D, 9V

Be Eveready™

Choose Eveready® Gold™ alkaline batteries for proven value and trusted quality in your low-drain, but highly important devices.

Recommended Usage: Smoke Detectors, Flashlights, Clocks, Alarms, Toys
 Sizes: AAA, AA, C, D, 9V

Big Power In A Small Battery

Get the freedom to keep going with Energizer's® powerful and convenient selection of specialty batteries.

Recommended Usage: Calculators, Watches, Keyless Entry, Electronic Books, Digital Thermometers and other Home Health Devices
 Sizes: N, EPX76, A23, 2032, 2016, 2025, 2450, 357

Every Moment Counts

Make sure you capture all of the moments that matter with Energizer® e2® Lithium Photo batteries.

Keep Going™ Recommended Usage: Film Cameras
 Sizes: CR2, 123, CRV3, 2CR5, 223
