HARRIS AGM COMMERCIAL

Absorbed Glass Mat Battery Technology

Constructed to exceed the toughest industry standards for:

- Starting
- Deep-cycle Capacity
- Charge Recovery

ABSORBED GLASS MAT

Spill-proof, vibration resistant and maintenance-free battery technology.

DESIGNED FOR EXTREME PERFORMANCE MEETING STRINGENT OE REQUIREMENTS

- Exclusive dual-seal valve assembly
- Patented stamped grid technology resists corrosion and maximizes life
- Proprietary negative paste increases charge acceptance
- Engineered AGM separator eliminates acid spilling
- Reinforced polypropylene composite case built to hold up under pressure

AVAILABLE

- HARRIS AGM 24
- HARRIS AGM 27
- HARRIS AGM 34
- HARRIS AGM 4D
- HARRIS AGM 65
- HARRIS AGM 31S
- HARRIS AGM 31P
- HARRIS AGM 8D
