## BATTERY COMPANY

### Harris Deep Cycle AGM Specifications

Industrial & Material Handling, Commercial & Automotive, RV & Marine, Renewable Energy

Harris AGM batteries are uniquely designed to address today's industry needs and are manufactured to the most stringent OE requirements. Thus, is the reason Harris Battery is the go-to company for Battery Power Solutions.

#### Our goal is to provide you with the right battery solution for:

- The greatest return on your investment
- The power solution for the highest productivity for your equipment

#### Harris Deep Cycle AGM offers:

- Maintenance free battery options that comply with environmentally sensitive areas
- Up to twice the life of a standard flooded battery
- Spill proof, can be mounted anywhere
- Vibration resistant and totally maintenance free
- Reduced charging times and longer run times

#### Meeting today's challenging industry and regulatory demands
